WORK EXPERIENCE

Platform Support Associate - Business Applications

2022 - 2023

Inchcape Digital Delivery Center | Pasig City, NCR

- Gained comprehensive knowledge in business analysis through various methodologies, including flowcharts, use case diagrams, data flow diagrams, high-level requirements, sitemaps, customer journey maps, etc.
- Applied the skills learned in training to support business applications, ensuring that technical solutions aligned with business needs and improved operational efficiency.
- Worked closely with project managers, business analysts, and UX/UI developers, gaining insights into their processes and contributing to collaborative projects.
- Acquired practical experience in handling real-world business application challenges, which enhanced my problem-solving abilities and understanding of business requirements.

Analyst Intern

2025

NOAH Business Applications | Makati City, NCR

- Documented business processes to enhance workflow efficiency and understanding.
- Conducted system testing to verify the accuracy of account postings.
- Managed data population for specific business processes to ensure accurate system functionality.
- Developed analytical reports to support data-driven decision-making.
- Performed system testing to identify and resolve potential issues.

Freelance Web Developer

2024 - Present

Remote

- Built responsive and user-friendly websites using HTML, CSS, and JavaScript based on client needs.
- Collaborated with clients to define requirements and deliver custom web solutions.
- Integrated APIs and optimized site performance for speed and SEO.
